COMPANY PROFILE

Kunshan Yichen Clean Material Co., Ltd. is a professional company which is engaged in researching, developing, producing and selling nonwoven fabric wipes. For the past years, we have obtained the SGS/RoHS and ISO 9001 certificate. Meanwhile registered our trademark--YCtek®.

As a leading manufacturer which is dedicated to provide high performance cleaning to meet the challenges of further reductions in aperture size and finer pitch. We are the obvious choice for the quality, environment and cost consciousness electronic manufacturers.

Suzhou Tesa Electrical Co., Ltd located in Suzhou industrial Park, 30 kilometers away from Shanghai railway station, established in the year of 2002. Our wipers are designed for wiping tasks where low lint or use of chemicals are required. Welcome any of your inquiry and looking forward to working with all friends over abroad.

Sample room

The wipes are widely used in electronic, semiconductor, optical, printing, painting, workshop, automotive, biological engineering, medical facility, laboratory and so on. We also could do OEM service to our customers to satisfy their special requirements.
